The Annual Travel Reduction Survey!

Commuter Club Members - We Need Your Help! MAKE SURE YOU COMPLETE YOUR SURVEY!

Capitol Rideshare / Office of Travel Reduction Programs is gearing up for the annual Travel Reduction Survey as mandated by law.

The annual Travel Reduction Survey will be completed by employees online. Employees will receive a link to the survey from their Agency Travel Reduction Coordinator.

At the end of February or beginning of March, the survey link will be emailed to all State employees working in Maricopa County. The survey captures information about employees' commute trips. In the past, data from this survey was instrumental in obtaining bus and vanpool subsidies for employees, creating new bus routes and expanding existing routes.

Employees are reminded that it is critical that everyone completes a survey; especially those who do carpool, ride transit, or telework. The State must achieve as close to a 100% participation rate as possible. Everyone needs to complete their survey.

For more information and to see Frequently Asked Questions regarding the survey, please visit www.capitolrideshare.com

For more information, call 602.542.7433.

Find Us On Facebook!

Just as thousands of government agencies and programs have gone before us, we are happy to announce the debut of our social networking Facebook Page. Check us out under Capitol Rideshare. Our "Friends" hear all the latest news about contests, transit, air quality, and alternate modes. While we recognize that not all agencies are on the social networking bandwagon, remember that you can visit our page from the comfort of your home as well. The page is for all State of Arizona employees who live and work in Maricopa County. We will be featuring special contest, news alerts, and more so add us to your list!

HPA SEASON REMINDER

This time of year, especially on High Pollution Advisory (HPA) days, you are urged to carpool, use transit, or telework.

And if you do, log on to www.capitolrideshare.com and enter the HPA Day Contest! Just tell us who you are and what mode you used. At the end of the month, we will be drawing winners from the pool of names! The more times you use an alternate mode on HPA days, the more chances you have to win!

By checking your agency's website or by visiting www.capitolrideshare.com, you can receive the most recent Air Quality Forecast.
