Commuter Club Members - KEEP UP THE GREAT WORK!

**R Observe HPA R Refuel after dark
R Carpool R Telework R Take Transit
R Stay in for lunch R Combine trips**

Things are heating up! With the warm weather comes the inevitable ozone pollution problems and High Pollution Advisories (HPA). To communicate this, each week there will be an Air Quality Forecast issued by the Department of Environmental Quality and reported by Capitol Rideshare to State employees in Maricopa County. Additionally, on days when ozone levels are in danger of reaching or exceeding the health standard, a High Pollution Advisory (HPA) will be issued. This information will be posted at your agency as well as on our website.

This summer, **KEEP DOING WHAT YOU'RE DOING** - especially on HPA days. And if you do, log on to www.capitolrideshare.com and enter the HPA Day Contest! Just tell us who you are and what mode you used. At the end of the month, we will be drawing winners from the pool of names! The more times you use an alternate mode on HPA days, the more chances you have to win! Remember to refuel your car after dark and avoid traveling in your car at lunchtime. By checking your agency's website or by visiting www.capitolrideshare.com, you can receive the most recent Air Quality Forecast.
